Activity/Programs	1	2	3	4	5	Evidence	Max. Points
Audio Visual Presentation	3	5	10	15	20		
Concept		Little effort has been spent on brainstorming and refining a concept. Unclear on the goals and how the project objectives will be met	Has brainstormed their concept, but no clear focus has emerged. Goals/final product not clearly defined	Has a fairly clear picture of what they are trying to achieve. Can describe what they are trying to do overall but has trouble describing how his/her work will contribute to the final project	Has a clear picture of what they are trying to achieve. Adequate description of what they are trying to do and generally how his/her work will contribute to the final project.		20
Script/ Storyboard		There is no evidence of a storyboard or script	The thumbnail sketches on the storyboard are not in logical sequence and do not provide complete descriptions of the video scenes, audio background, or notes about the dialogue	The storyboard includes thumbnail sketches of each video scene and includes text for each segment of the presentation, descriptions of background audio for each scene, and notes about proposed shots and dialogue	The storyboard illustrates the video presentation structure with thumbnail sketches of each scene. Notes of proposed transition, special effects, sound and title tracks incl: text, color, placement, graphics, etc. Notes about proposed dialogue/ narration text are included		20
Content/ Organization	Content does not have a central theme, clear point of view and logical sequence of information. Much of the supporting information is irrelevant to the overall message. The viewer is unsure what the message is because there is little persuasive information and only one or two facts about the topic are articulated. Information is incorrect, out of date, or incomplete. No citations included	Content lacks a central theme, clear point of view and logical sequence of information. Much of the supporting information is irrelevant to the overall message. The viewer is unsure what the message is because there is little persuasive information and only one or two facts about the topic are articulated. Information is incorrect, out of date, or incomplete. No citations included	The content does not present a clearly stated theme, is vague, and some of the supporting information does not seem to fit the main idea or appears as a disconnected series of scenes with no unifying main idea. Includes few citations and few facts	Information is presented as a connected theme with accurate, current supporting information that contributes to understanding the project's main idea. Details are logical and persuasive information is effectively used. The content includes a clear point of view with a progression of ideas and supporting information. Includes properly cited sources	The content includes a clear statement of purpose or theme and is creative, compelling and clearly written. A rich variety of supporting information in the video contributes to the understanding of the project's main idea. Events and messages are presented in a logical order. Includes properly cited sources		20
Quality	Only compilation of photos	There was no movie, or tape was totally unedited with no transitions or audio support of any kind	Movie was made, but had very little if any editing. Many poor shots remain. Video was very fragmented and choppy with little to no audio reinforcement	Movie was completed and contained all required items. Editing was not done as well as it should have been. Some poor shots remain. Movie is still somewhat choppy. Audio and other enhancements were utilized, but not for maximum effect	Movie was completed and had all required elements. The video was well edited and moves smoothly from scene to scene with proper use of transitions. Audio and other enhancements were well used		20
