PICE MEMBERS**

Subject : **83rd Founding Anniversary and PICE DAY 2020**

Greetings from the PICE National Board of Directors!

The pandemic may seize the opportunity of meeting and greeting in person our colleagues in the profession while tossing for success as we celebrate the special day of our beloved organization, the PICE. But, PICE thru its leaders, the incumbent National Board, will never cease of finding ways to not forego the most important celebration of the organization.

Thus, the Board is pleased to announce that we will be holding a virtual celebration of our **83rd Founding Anniversary** on **11 December 2020**. It is also called the "**PICE DAY**" to remember the day of celebration of our creation and existence. PICE Day is celebrated every December 11 of each year by virtue of the approval of the PICE National Board of Directors during its 11th Regular Meeting in Davao City on November 28, 2019.

Various virtual activities are now being finalized such as Thanksgiving Holy Mass, Motivational Lecture, Awarding of PICE Best Celebrated Civil Engineering Month and other PICE National Awards, Presentation of the Student Got Talent Finalists and a bevy of raffle prizes from our valued sponsors. Final details on the preparations and on how to participate virtually will be released soon.

PICE Chapters and Members are also encouraged to commemorate the special day with the following suggested activities –

Post in the social media and share any photo of your favorite experiences and memories with the Institute using **#PICEday2020**;

Involve yourselves in various events of your chapter such as webinars, general membership meetings, election of officers, virtual games and the like;

Conduct of outreach programs such as giving of donations and gifts to our least fortunate brothers/sisters or calamity-stricken areas and virtual visits to the orphanages, homes for the aged, among others; and

Experience the celebration by wearing your PICE t-shirts, polo shirts, jackets, face masks, pins, caps, placement of car stickers and recognizing the charter or senior members & officers of your chapter.

It is strongly advised that activities during the PICE Day 2020 at this time of the COVID19 pandemic should be conducted virtually or with utmost safety and thus the protocols set by government should be followed strictly.

Happy PICE Day!

Great to be a Filipino Civil Engineer!

Very truly yours,

DR. ERDSAN RENE S. SUERO, F.PICE
