## PICE CIRCULAR NO. 2021-04

For : **REGIONAL COORDINATORS  
CHAPTER PRESIDENTS  
PICE MEMBERS**

Subject: **EXPANDED PICE VISMA PROGRAM**

Greetings from the PICE National Board of Directors!

The National Board of Directors and the Committee on Student Affairs are pleased to announce that the implementation of the PICE VISMA Program is expanded to include other learning activities that we can extend to our graduating civil engineering students such as but not limited to practicum, OJT, capstone design project, advising on research projects, etc. The Program is now called "Expanded VISMA". Note that we have indicated the details on the VISMA Program through our PICE Circular Nos. 2020-13 & 2020-15. PICE VISMA program has been successful and benefited a number of students and schools because of the outstanding contribution, active collaboration and trust to this program by our volunteer-mentors, schools and the student-mentees.

All Chapters are enjoined to support and actively participate in this worthwhile program by providing at least ten (10) active members as volunteer-mentors. List of volunteer-mentors must be submitted no later than 26 February 2021 based on the format/requirement as attached in this circular (Annex A).

In this time of pandemic, let us be frontliners also for civil engineering education.

Thank you in advance for your usual support to our future civil engineers in the country!

Very truly yours,

  
**DR. ERDSAN RENE S. SUERO, F.PICE**  
National President
