To : **REGIONAL COORDINATORS

Subject : **PICE SAVES LIVES 2021 – BLOOD DRIVE**

Greetings from the PICE National Board of Directors.

PICE will not let the pandemic halt its annual noble activity during the month of February, now dubbed as "PICE Saves Lives 2021 – Blood Drive".

All Chapters are enjoined to actively participate in this noble activity by either of the following:

1. Encourage chapter members individually to go and donate their most precious blood at the nearest Philippine Red Cross (PRC) blood bank; and/or
2. Organize the chapter bloodletting activity in one place/time same in the previous years.

It is however strongly advised that such activity, at this time of the COVID19 pandemic, should be conducted with utmost safety for protection and thus the health protocols set by government should be followed strictly.

All Chapters in the country are requested to contact the local/satellite offices of the Philippine Red Cross in their respective localities to coordinate the proper conduct of the same and shall submit an activity report on or before March 15, 2021 to the National Office via email at picenatl@pice.org.ph on its successful conduct. Enclosed are the suggested activity report form and the official streamer design for this activity for your ready reference.

Let us express and give more love by giving blood this month of February 2021! Let us make a difference, help us save lives!

Please disseminate this information.

Thank you!

Very truly yours,

DR. ERDSAN RENE S. SUERO, FPICE
