PICE CIRCULAR NO. 2021-08

For : **REGIONAL COORDINATORS
CHAPTER PRESIDENTS
PICE MEMBERS**

Subject: **APPLICATION FOR ENGINEERING REGISTERS**

Greetings from the PICE National Board of Directors!

In our efforts to elevate the professional status and promote international recognition of our members, the National Board had already issued various circulars on this matter and has now created the PICE Engineering Registers Committee (PICE-ERC) to assist our members and institutionalize the processing of applications particularly for ASEAN and APEC Engineering Registers.

Part of the Committee's task is to conduct various advocacy activities and orientations for reference and guidance of our members about the registers and in the preparation of applications.

Likewise, in collaboration with the Philippine Technological Council (PTC); the umbrella organization of the engineering professional organizations in the country, PICE; spearheaded by the Committee will be conducting a series of conferment to the approved ASEAN Engineers since 2017. Details on these activities will be released soon.

Furthermore, pursuant to the approval of the Board during its 5th Regular Meeting on 15 May 2021; it is advised that the new admin fee for the processing of the ASEAN and APEC Engineering applications is P1,500.00 while the AER conferment fee is P1,000.00, effective immediately.

For your information, guidance and dissemination.

Very truly yours,

DR. ERDSAN RENE S. SUERO, F.PICE
National President
