Dolmar Property Ventures Inc.

Founded in **1972**, Dolmar Land has been a partner of thousands of Filipinos in finding their own affordable quality homes for **more than 50 years**.

We believe that dreams can be realized through hard work, and we are one with Filipinos who strive to achieve their goals. As they persevere to buy a home they can call their own, we continue to diligently build **affordable quality housing** that guarantees the fulfillment of their needs.

Through our passion, determination, and integrity, we have now delivered **more than 7,000 homes** to Filipino families **across Metro Manila and central parts of Luzon**. This number continues to grow as we progress to build and serve more communities in different areas of Luzon.

By working together, we help Filipinos become homeowners, enjoying the comforts of their own residence in a developed community. We are committed to our promise to build and serve for YOUR tomorrow. **Sa Presyo at Serbisyo, Lamang ka sa Dolmar Land!**
